CATALOGO 10

**Research, innovation and creativity have guided our work and projects for over 15 years.**

*Our ideas are moulded, refined and rationalised on the basis of the customer's needs and in order to return originality and lasting functionality, capable of fully realising expectations.*

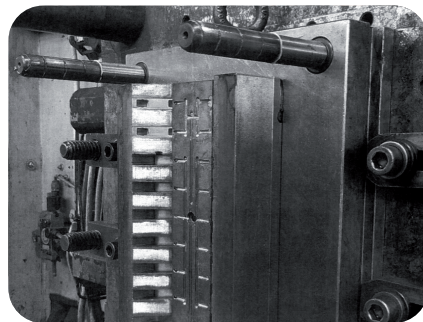

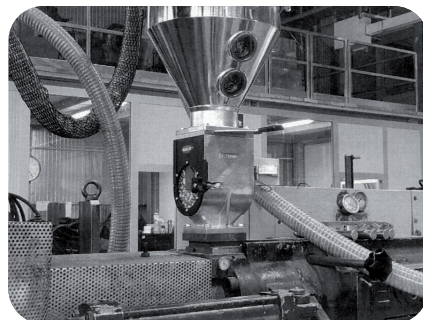

*This is how our new **FG BROUP** catalogue was born, a complete expression of the distinctive elements that we have been researching every day for years.*

*For us, being technologically advanced does not mean forgetting our craftsmanship, a dimension that allows us not to lose the flexibility that has always distinguished us and that continues to create true **MADE IN ITALY** in production processes and in the search for innovative and ecologically sustainable materials.*

**Exclusive and patented products**  
**Innovative and design products**  
**Automated production**  
**Quality control**  
**100% MADE IN ITALY**

***These are our fixed points,  
This is the value of the FIBI accessory,  
designed to be in constant evolution.***

**Ricerca, innovazione e creatività guidano da oltre 15 anni il nostro lavoro e i nostri progetti.**

Le nostre idee si plasmano, si affinano, si razionalizzano sulla base delle esigenze del cliente e per restituire originalità e funzionalità duratura, capace di realizzare totalmente le aspettative.

Nasce così il nostro nuovo catalogo **FB GROUP**, completa espressione degli elementi distintivi che da anni ricerchiamo quotidianamente.

Essere tecnologicamente all'avanguardia non significa per noi dimenticare la nostra artigianalità, dimensione che ci consente di non perdere la flessibilità che ci ha sempre contraddistinto e che continua a creare del vero **MADE IN ITALY** in processi produttivi e nella ricerca di materiali innovativi ed ecologicamente sostenibili.

**Prodotti esclusivi e brevettati**  
**Prodotti innovativi e di design**  
**Produzione automatizzata**  
**Controllo qualità**  
**MADE IN ITALY 100%**

Questi i nostri punti fermi,  
Questo il valore dell'accessorio FIBI,  
progettato per essere in costante evoluzione.
